

Name: Adrienne Gorman

Current position and address: Lecturer

Apoptosis Research Centre
Bioscience Research Building
Newcastle Road, Dangan
NUI Galway

Contact email: adrienne.gorman@nuigalway.ie

Background career information:

BAMod Biochemistry Trinity College Dublin

PhD Biochemistry Trinity College Dublin

Marie Curie Post-doctoral research fellow, University of St Andrews, Scotland

Post-doctoral researcher, University College Cork, Ireland

Post-doctoral research fellow, Karolinska Institutet, Stockholm Sweden

Lecturer, NUI Galway

Research Interests:

Mechanisms of pro-survival signalling

Mechanisms of nerve growth factor signalling in cell death and survival

Heat shock proteins

Unfolded protein response

Proteostasis

Neurotrophins
